It was something of a pity that Pietro Floridia conducting the Italian Symphony Orchestra at its second and last concert of the season at Acollan Hall yesterday afternoon, chose Beethoven's "Eroica" symphony for the principal number. The implied purpose of the erganization is to exploit Italian music. Why, then, challenge comparison with the Boston Symphony, and our own

SUNDAY WORLD WANTS WORK MONDAY WONDERS.

A Complete Novel Each Week

They came from a manufacturer and importer of the first rank. In fact, we entrust him with the important work of reproducing our own imported models. He had contracted with a foreign mill for an exceptionally large amount of this fashionable wool crepe.

It began to arrive. He had it made up into thousands of women's dresses after the same pretty models pictured here. They "took" so fast with his customers all over the country that he was flooded with orders. Many of these orders were for delivery at an early specified date.

As fast as the material arrived from abroad it was turned into dresses. But the crepe did not come fast enough. He had not reckoned with the powers of The little blizzard of early Nature. March delayed deliveries of the material 'way too late for him to keep his delivery

Then cancellations of orders followed. As a result he found himself with 1,000 dresses on his hands—and no immediate outlet. So they are here in the Wanamaker Stores-500 in New York and 500 in Philadelphia, for
